All Cancers	15,411	143.8	4,956	169.2	20,367	149.9

Produced by the NC Central Cancer Registry, 08/2024.

2022 mortality is based on provisional data.

**Cancer mortality rates based on any cancer deaths less than 16 are suppressed as they are not stable.

Cases may not sum to totals due to unknown or other values.

Rates are calculated using vintage 2022 non-bridged population estimates, based on the 2020 Census.
