Produced by the NC Central Cancer Registry, 12/2016.  
Numbers are subject to change as files are updated.  
Rates based on counts less than 16 are unstable. Use with caution.  
Cases may not sum to totals due to unknown or other values.  
Cancers of the urinary bladder and female breast include in situ cases.

Rates are calculated using the bridged-race population estimates obtained from the National Center for Health Statistics available online at [www.cdc.gov/nchs/nvss/bridged\\_race/data\\_documentation.htm#vintage2015](http://www.cdc.gov/nchs/nvss/bridged_race/data_documentation.htm#vintage2015).
