Interviewer’s Script

HELLO, I am calling for the North Carolina Department of Health and Human Services. My name is (name). We are gathering information about the health of North Carolina residents. This project is conducted by the health department with assistance from the Centers for Disease Control and Prevention. Your telephone number has been chosen randomly, and I would like to ask some questions about health and health practices.

Is this (phone number) ?
If "no,"
Thank you very much, but I seem to have dialed the wrong number. It’s possible that your number may be called at a later time. STOP

Is this a private residence?
If "no,"
Thank you very much, but we are only interviewing private residences. STOP

Is this a cellular telephone?

Read only if necessary: “By cellular telephone we mean a telephone that is mobile and usable outside of your neighborhood”.

If “yes,”
Thank you very much, but we are only interviewing land line telephones and private residences. STOP

I need to randomly select one adult who lives in your household to be interviewed. How many members of your household, including yourself, are 18 years of age or older?

__ Number of adults

If "1,"
Are you the adult?

If "yes,"
Then you are the person I need to speak with. Enter 1 man or 1 woman below (Ask gender if necessary). Go to page 5.

If "no,"
Is the adult a man or a woman? Enter 1 man or 1 woman below. May I speak with [fill in (him/her) from previous question]? Go to "correct respondent" on the next page.

How many of these adults are men and how many are women?

__ Number of men

__ Number of women

The person in your household that I need to speak with is ________________.
If "you," go to page 4
To the correct respondent:

HELLO, I am calling for the North Carolina Department of Health and Human Services. My name is (name). We are gathering information about the health of North Carolina residents. This project is conducted by the health department with assistance from the Centers for Disease Control and Prevention. Your telephone number has been chosen randomly, and I would like to ask some questions about health and health practices.

I will not ask for your last name, address, or other personal information that can identify you. You do not have to answer any question you do not want to, and you can end the interview at any time. Any information you give me will be confidential. If you have any questions, I will provide a telephone number for you to call to get more information.
