**TRAINING & TECHNICAL ASSISTANCE  
FOR LOCAL HEALTH DEPARTMENTS AND PARTNERS**

**FALL 2020**

• **WORKSHOP: CLEAR IMPACT SCORECARD™**

The Foundation for Health Leadership and Innovation will offer Scorecard training for health departments and health care systems that are part of the Health ENC regional initiative. Statewide expansion is anticipated.

Please email [will.broughton@foundationhli.org](mailto:will.broughton@foundationhli.org) for more information.

**WINTER/SPRING 2021**

• **COURSE: RESULTS-BASED ACCOUNTABILITY FOR COMMUNITY HEALTH IMPROVEMENT**

A virtual course offered two times each year through Area Health Education Center's (AHECs) nine regional locations

- Sponsored by the NC DHHS/DPH/State Center for Health Statistics
- RBA certified faculty from AHEC and local health department CHA
- Informed by regional initiatives (WNC Network, Health ENC)
- More information available December 2020.

• **WORKSHOP: INDICATOR BASED INFORMATION SYSTEM FOR PUBLIC HEALTH (IBIS-PH)**

NC DHHS/DPH/State Center for Health Statistics will release the IBIS-PH system early in 2021. It has been developed to meet recognized public health assessment needs, including tabulation of vital statistics data, tracking of progress on Healthy North Carolina 2030 indicators, and the displaying of data for local communities. Workshops dates will be announced in January 2021, to provide video guidance for using the new website.

**Do you just need a little help? One-on-one technical assistance sessions are available. Please contact:**
